Reflections on Stewardship.

This week...

Talent, the Gift of Our Ability

It doesn't matter how rich or how poor we are, how smart, educated, or famous we might be – each one of us has been given at least one gift that we can use on behalf of the rest of humanity. For every skill you possess, there is a need somewhere in your family, your parish, your city. Our abilities should be recognized, cherished – and shared.

A Prayer for Stewards

Lord God, You alone created this world and all that is good in it. You allowed us our freedom, and entrusted us with great responsibility. All of what we are, all of our concerns, and the unique ability we each have to help those around us come from You. We ask that You bless us as we strive to transform the earth through love, work and deed. Send the Holy Spirit to work in our hearts and lives, guide our service, and grant us a spirit of purpose and joy. We pray with grateful hearts in Jesus' name. Amen.

Thank You!

We ask God's special blessing on everyone who contributed to the special collection for the flood victims in Pakistan. We collected \$1,692.05.
