Christian Fatherhood

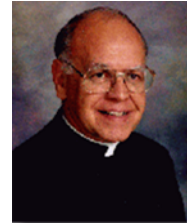

Broken families, increasing divorce rates, children growing up without fathers as good role models, more abortions and fewer individuals who know God. What would a real man do when faced with such adversity? How does he live in this world and remain present for and faithful to his family? Where does he find the Truth and how does he grow in faith? How do **you** support your brother's call to holiness and become the man you were meant to be? Fortunately God has provided us the answer: Christian Fatherhood. *The man you were created to be beckons.*

- Adoration throughout the day
